On no account must the charging lead cross a public footpath or pavement. If **The Scilly Cart Co.** hears of any infringement of this very important law they will remove the said cart and immediately cancel the hire with no refunds being made to the hirer.

Repairs for any damage caused by not adhering to this condition will be charged to the hirer together with a call out charge of £25.
18. **Considerations.** Please be aware of other road users. Park considerately and only in permitted areas - the police will issue tickets for illegal parking. Be aware of pedestrians walking in the road - you are driving a quiet vehicle with no engine noise and pedestrians might not hear you coming. Do not use your mobile phone whilst driving the cart - it is a traffic offence.
